GUSTAVUS ADOLPHUS 'The Lion of the North'

A great champion of the Protestant cause, from the moment he became King of Sweden in 1611 at age 17 he was involved in war with Poland, Denmark & Russia. He soon settled the quarrel with Denmark & Russia, but the war with Poland dragged on till 1629, when he gained victory. He was recognized as one of the great warriors of the age. In 1630 he decided to intervene in the 30 yrs War, in which the Protestants were

having a bad time.

He overwhelmed and killed Count of Tilly - on the Roman Catholic side

In 1632, at the Battle of LÜTZEN  
Gustavus ~~met~~ met the even more  
redoubtable ALBRECHT VON WALLENSTEIN  
whom he defeated; but Gustavus died  
leading a Cavalry charge

He introduced light guns which could  
be moved around the battlefield and  
revolutionized artillery warfare.
